Dear Swap Meet Vendor,

Wow! 2016 was a great year for the Ames Performance Tri Power Pontiac Nationals. We sold out of swap meet spaces for the first time in 25 years. This has created a change in how swap meet orders will be accepted and processed. Please read carefully so as to avoid confusion.

2016 SWAP MEET VENDORS who want to keep their same spaces

If you had swap meet spaces in 2016, you are given 1<sup>st</sup> right to sign up and buy those spaces. The cutoff date for purchase will be June 5, 2017. If you mail in your order, it needs to be postmarked by June 5<sup>th</sup>. This is earlier than previous years so that we can make changes and accept orders from new vendors. Vendors who used online ordering will receive an email with a code to access their 2017 order online.

2016 SWAP MEET VENDORS who want to CHANGE spaces

If you had swap meet spaces in 2016, you are given 1<sup>st</sup> right to sign up and buy those spaces. Any changes that you want to make; adding spaces or being moved to a different area, will be finalized after the June 5<sup>th</sup> cutoff date. You will be given first choice of available spaces after the vendors who kept their same spaces. As these orders come in they will be marked with the received date and put on a waiting list. The orders will be processed in date received order after the June 5<sup>th</sup> cutoff date. Please make sure we have a phone number and/or email address so that we can contact you.

NEW VENDORS for 2017

Orders will be marked with a received date and put on a waiting list. The orders will be processed in date received order after the June 5<sup>th</sup> cutoff date. Please make sure we have a phone number and/or email address so that we can contact you.

The enclosed Swap Meet Sign up form has your name, address, and the space numbers that you occupied in 2016. If you need to make changes, please correct the information. Please add a current phone number and email address (if you have one). If you want to make changes to your spaces, use the back of the form to let us know what you want. If you used online ordering in 2016, check your email for a notice from Tix about how to access your 2017 order online.

Pete & I want to do our very best to accommodate all the vendors who have supported us through the years and any new vendors who want to join the event. We have so many great people that have truly made this event what it is today. Please give us a call or send an email if there is anything that you would like to discuss.

See you in August,

Our swap meet is setup so the Pontiac enthusiast can find that elusive part they need for their vehicle. **For that reason Swap vendors are asked to primarily sell USED or NOS parts only.**

Contact Super Duty Promotions

A Swap Meet space is 15' x 30'  
\$60 for 1 space, 1 person for the weekend, & 1 vehicle

Additional spaces can be purchased for \$25.00  
Trucks & trailers must fit within the space.  
Extra people would pay the spectator admission.

### Swap Meet Rules

- Vendors primary sales should be used or NOS parts. Used literature, Pontiac memorabilia is OK too.
- No extra trucks or trailers will be allowed on the swap meet field. A \$60 entry includes 1 vehicle parking pass.
